

CHINMAY PATIL

Bhiwandi, MH | +91 8459100845 | chinmayspatil@outlook.com | www.linkedin.com/in/chinmay-patil-8005/

PROFILE

Cybersecurity enthusiast with practical experience from a recent internship in cybersecurity. Skilled in virtual environments and cloud technologies. Eager to apply hands-on experience to strengthen infrastructure defenses in dynamic environments. Committed to leveraging emerging technologies and continuous learning to stay ahead of evolving cyber threats.

EXPERIENCE - INTERNSHIP

Cybersecurity Intern

Aug 2024 – Oct 2024

Tutelr (Remote)

- Developed skills in CHAPS and cybersecurity best practices.
- Gained hands-on experience with Linux environments and networking protocols.

PROJECTS

DeFinance – Decentralised Lending and Borrowing of Digital Assets

- Led a research-driven approach to develop a decentralized platform using blockchain.
- Technologies Used: Solidity, Python, Ethereum.
- Research Paper published in IEEE. (<https://ieeexplore.ieee.org/document/10652406>)

Notesync - Simplifying Cloud-Based Collaboration

- A crowdsourced, cloud-based notes management system facilitating note sharing and collaboration among users.
- Technologies Used: HTML, CSS, JavaScript, Realtime Database, AWS

EDUCATION

A. P. Shah Institute of Technology, Thane

2021 - 2024

Bachelor of Engineering (B.E.) in Computer Engineering with Honors in Cybersecurity

CGPA: 8.24

CERTIFICATIONS

- Zscaler Cybersecurity Fundamentals Associate, Zscaler
- Palo Alto Networks Certified Cybersecurity Entry-level Technician (PCCET), Palo Alto
- Google Cybersecurity Professional Certificate, Google (In Progress)

TECHNICAL SKILLS

- Cyber Risk Assessment
- Information Security
- Knowledge of Cybersecurity Tools
- Network Security
- Social Engineering
- Linux Distro

SOFT SKILLS

- Research Methodology
- Collaborative Teamwork
- Project Management
- Technical Documentation

VOLUNTEERING EXPERIENCE

- Organized and designed challenges for a Capture the Flag (CTF) event at Exalt 2023, a technical event at A.P. Shah Institute of Technology.
- Cybersecurity Club at A.P. Shah Institute of Technology - active member focusing on research initiatives and student training sessions.
